

Hello Parents and Families!

We hope that last week's activities brightened your day! This week the staff has prepared some fun activities that have to do with **sea shells!** Be sure to share pictures (on google) of the activities!

These are general home study packets prepared with daily activities including a daily video created by our assistant teachers for you to enjoy. The Lead Teachers are working virtually to assist their classrooms, so if you need anything please reach out to them directly for individualized lessons.

How to use this Home Resource Packet.

These are designed to be simple and easy for parents to print off the activities to keep the children engaged for "work cycles."

**Option 1:** Click Links in document - Each item is linked to print

**Option 2:** Access Folder - Print out each item [HERE](#)

**Option 3:** Pickup Pre-Printed Packets of everything 9-10 Mondays at Brightonview

We miss you all dearly and hope to be reunited very soon! For those families who come into school this week, we are excited to see you!
